### **III. Information about the data processing**

Your data processed when using our website will be deleted or blocked as soon as the purpose for its storage ceases to apply, provided the deletion of the same is not in breach of any statutory storage obligations or unless otherwise stipulated below.

#### **Server data**

For technical reasons, the following data sent by your internet browser to us or to our server provider will be collected, especially to ensure a secure and stable website: These server log files record the type and version of your browser, operating system, the website from which you came (referrer URL), the webpages on our site visited, the date and time of your visit, as well as the IP address from which you visited our site.

The data thus collected will be temporarily stored, but not in association with any other of your data.

The basis for this storage is Art. 6 Para. 1 lit. f) GDPR. Our legitimate interest lies in the improvement, stability, functionality, and security of our website.

The data will be deleted within no more than seven days, unless continued storage is required for evidentiary purposes. In which case, all or part of the data will be excluded from deletion until the investigation of the relevant incident is finally resolved.

#### **Cookies**

##### **a) Session cookies**

We use cookies on our website. Cookies are small text files or other storage technologies stored on your computer by your browser. These cookies process certain specific information about you, such as your browser, location data, or IP address.

This processing makes our website more user-friendly, efficient, and secure, allowing us, for example, to display our website in different languages or to offer a shopping cart function.

The legal basis for such processing is Art. 6 Para. 1 lit. b) GDPR, insofar as these cookies are used to collect data to initiate or process contractual relationships.

If the processing does not serve to initiate or process a contract, our legitimate interest lies in improving the functionality of our website. The legal basis is then Art. 6 Para. 1 lit. f) GDPR.

When you close your browser, these session cookies are deleted.

### **b) Third-party cookies**

If necessary, our website may also use cookies from companies with whom we cooperate for the purpose of advertising, analyzing, or improving the features of our website.

Please refer to the following information for details, in particular for the legal basis and purpose of such third-party collection and processing of data collected through cookies.

### **c) Disabling cookies**

You can refuse the use of cookies by changing the settings on your browser. Likewise, you can use the browser to delete cookies that have already been stored. However, the steps and measures required vary, depending on the browser you use. If you have any questions, please use the help function or consult the documentation for your browser or contact its maker for support. Browser settings cannot prevent so-called flash cookies from being set. Instead, you will need to change the setting of your Flash player. The steps and measures required for this also depend on the Flash player you are using. If you have any questions, please use the help function or consult the documentation for your Flash player or contact its maker for support.

If you prevent or restrict the installation of cookies, not all of the functions on our site may be fully usable.

### **Facebook plug-in**

Our website uses the plug-in of the Facebook social network. Facebook.com is a service provided by Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA. In the EU, this service is also operated by Facebook Ireland Limited, 4 Grand Canal Square, Dublin 2, Ireland, hereinafter both referred to as "Facebook."

Through certification according to the EU-US Privacy Shield

Facebook guarantees that it will follow the EU's data protection regulations when processing data in the United States.

The legal basis is Art. 6 Para. 1 lit. f) GDPR. Our legitimate interest lies in improving the quality of our website.

Further information about the possible plug-ins and their respective functions is available from Facebook at

<https://developers.facebook.com/docs/plugins/>

If the plug-in is stored on one of the pages you visit on our website, your browser will download an icon for the plug-in from Facebook's servers in the USA. For technical reasons, it is necessary for Facebook to process your IP address. In addition, the date and time of your visit to our website will also be recorded.

If you are logged in to Facebook while visiting one of our plugged-in websites, the information collected by the plug-in from your specific visit will be recognized by Facebook. The information collected may then be assigned to your personal account at Facebook. If, for example, you use the Facebook Like button, this information will be stored in your Facebook account and published on the Facebook platform. If you want to prevent this, you must either log out of Facebook before visiting our website or use an add-on for your browser to prevent the Facebook plug-in from loading.
